

Spiritual Emphasis Week 2021 Home Connection

Monday	Tuesday	Wednesday	Thursday
<p>Connecting Themes for the Week: Relentless Love- considering God’s relentless love for us, how then do we respond in our own lives...loving the things that He loves, being broken-hearted for the things that breaks His heart, living our new life in Jesus to the fullest and experiencing the benefits of a relationship with Him now.</p>			
RELENTLESS LOVE: For Us	RELENTLESS LOVE: For The New Life In Christ	RELENTLESS LOVE: For The Call and Cause	RELENTLESS LOVE: For The Community
<p>Main Message: He leaves the 99 for the 1, and we are the 1; really focusing on His love for us; this love is given freely, it’s not something we can earn. Today will set up how much Jesu loves us.</p>	<p>Main Message: Jesus’ love for us led to his sacrifice for us. He suffered and died because of love and raised to live forever with us because He loves us. His new life after His sacrifice is dedicated to love us. We have a new life because of our love for Him, what will we do with it?</p>	<p>Main Message: What is His mission and His vision that we now take on; having a heart for the lost, the broken, the hopeless, the needy...as Jesus does. If you understand how loved you are, you have accepted this new life in Christ, then the overflow of that is that we take in His cause and live like He did. How do we specifically use the gifts, talents, treasures, time, and opportunities God has given each of us to reach others for His Kingdom purposes.</p>	<p>Main Message: Carrying the loads of others; Embracing our place in the body of Christ and understanding the importance of walking with others who are also living out His purposes and carrying out His calling. God didn’t call us to do it alone. He’s built us as relational people. Even Jesus had His people. We are called to carry out His purpose with a community of believers who are like minded in living for Him.</p>
