

Good Afternoon 8th Grade Parents!

I am pleased to announce the details for the annual Last Hurrah for our 8th grade students on **Wednesday, June 16th**!

This is the final event for our 8th graders, where they will celebrate the culmination of their MCS careers together at **Knott's Berry Farm!** We were blessed to get tickets for this event, especially as Knott's is currently only allowing 25% capacity in their park! Our students will enjoy a long day at the park with short lines for rides and significantly less crowds to maneuver.

Knott's Berry Farm has [re-opening protocols](#) in place that all MCS students and staff will adhere to while we are in the park, including wearing face coverings at all times (with the exception of sitting in one of the zoned eating locations). Knott's is not currently accepting cash, so please make sure your child has access to a credit/debit card, Apple pay, or Google pay. They will have their cell phones with them in the park.

In the [attached document](#) you will find the event details, permission slip (**due Friday, 6/11**), and a SignUp Genius link for payment. Please read the details of the permission slip (2 pages) carefully before both you and your child sign your names. Also, **please print your Signup Genius receipt** as indication of payment, and staple it to your signed permission slip before turning it into the homeroom teacher.

Students must wear their 8th grade class t-shirt, however they will have free dress pants or shorts that are in line with our school dress code guidelines. Athletic pants/shorts are acceptable, however all shorts must follow the MCS length guideline of 3" above the knee. If a student does not have their 2021 class t-shirt, they must wear an MCS uniform shirt.

Please do not hesitate to ask if you have any questions regarding this event. We are looking forward to a great day with our beloved class of 2021 at Knott's Berry Farm!

In Him,
Paulette Seaman
