

"Summer Slide" Binder

Entering K - 6th Grades

This is the perfect option for students to work at their own pace and avoid the "Summer Slide". The concepts will be a review of what was taught during the 2020-2021 year. It will also include activities that will front load students for next year.

Binders will include 3 components...

1. **10 Weeks** of worksheets and activities that reinforce the standards taught in the grade they just completed. Subjects may include, depending on their grade level:
ELA – Phonics/Reading, Writing, and Grammar
Math
Printing/Cursive Practice

2. **Toolkits** that provide whiteboards and manipulatives to play games and independent activities.

3. **Three -15 minute Zoom/Live Check Ins** scheduled throughout the summer.

1. The first meeting will be on the day you pick up your binder. If you would like me to review the binder with you, I will have a group meeting at MCS at 3:15. This meeting will set you and your child up for success.

Pick Up dates: Wednesday, June 9th or Thursday June 10th

Video recording of the binder set up will be available if you can not make a meeting.

2. Two – 15 min. individual Zoom/Live Meetings. One meeting will be scheduled monthly: week of **July 12th**, and week of **August 9th**. In this meeting I will answer any questions and reteach any concepts that need additional clarification. I will send an electronic sign up for Check In Meetings.

*Also included – pacing guide, reading logs, games, and additional practice activities

Early Sign-Up Cost: \$165

Sign up and pay on or before **May 31st**

Regular Cost: \$180

Sign up and pay after **May 31st**

Cash, Check Payable to Karri Meyer or, Venmo @KarriMeyer
